Welcome to CypressLandContractors.com!

With over 100+ years of industry experience, our Cypress team provides high quality landscape maintenance to commercial and multi-residential clients throughout the southern Louisiana area.

What Do Our Owner Have To Say?

"Cypress Land Contractors is not just about the landscaping service we provide --- Our business is really about maintaining each clients image."

"The great thing about Cypress is that we are large enough to service commercial accounts with massive acreage, yet small enough to give you the one-on-one service you deserve"

- Keith LeSaicherre, Owner/CEO

Why Choose Us? Because Of Our Cypress Difference:

Creativity- The difference between ordinary and extraordinary is "that little extra". Our extensive knowledge of plant material, color, and texture combined with our knowledge of plant performance guarantees traffic stopping turf and color displays.

Results- A consistent image for your property; an image that reflects quality and professionalism. We will strive to meet your objectives as well as those of your property managers, asset managers, and owners. The result will be an exterior environment that is pleasing to tenants and will maximize the investment of clients.

Experience- Extensive industry experience means we know how to maintain your property to maximize your strengths. The management team and employees of Cypress involved with your properties have a combined total over 100+ years in the landscape industry. Allow our experience to work for you.

Service- You deserve a company that is responsive to you! Our grounds maintenance organization allows us to provide top notch service. Your designated property

inspector is directly responsible for quality control on your property to insure that we can react quickly and efficiently to your requests.

Teamwork- We are a team of professionals who demand excellence and provide quality beyond expectations. Cypress Land Contractors will work with you to meet your goals. Our team is committed to the idea that together we can achieve more.

Call us today for your next commercial landscape project at (504)-309-0234
